

**Eisele family thanks well-wishers • [Liesel Eisele, Alexander and Catherine Eisele, Christiane Eisele](#)**, January 10, 2015

The Volker Eisele family is deeply appreciative of the sympathy and support extended to us over the past several weeks by our friends and colleagues in the Napa Valley and beyond (["Agricultural land advocate Volker Eisele dies."](#) Jan. 3).

We are also grateful for your recognition of Volker's efforts to protect and sustain the agricultural land and open spaces of Napa County. We are fortunate to live in such a caring and respectful community, and join with you in hoping that Volker's vision for the future of this land will prevail for generations to come.
